NEWLY ASSIGNED CASES**

READ THIS ORDER CAREFULLY. IT CONTROLS THIS CASE.

This action has been assigned to the calendar of Judge R. Gary Klausner.

The responsibility for the progress of litigation in the Federal Courts falls not only upon the attorneys in the action, but upon the Court as well. "To secure the just, speedy, and inexpensive determination of every action," Federal Rule of Civil Procedure 1, all counsel are hereby ordered to familiarize themselves with the Federal Rules of Civil Procedure, particularly Federal Rules of Civil Procedure 16, 26, the Local Rules of the Central District of California (available on the Court's website at www.cacd.uscourts.gov), this Court's Order for Jury Trial, and this Court's Order for Court Trial.

1 **UNLESS OTHERWISE ORDERED BY THE COURT, THE**
2 **FOLLOWING RULES SHALL APPLY:**

3 **1. Service of the Complaint.** The Plaintiff(s) shall promptly serve the
4 Complaint in accordance with Fed. R. Civ. P. 4 and file the proofs of service
5 pursuant to Local Rule. Any Defendant(s) not timely served shall be dismissed
6 from the action without prejudice. Any “DOE” or fictitiously-named Defendant(s)
7 who is not identified and served within 90 days after the case is filed shall be
8 dismissed pursuant to Federal Rule of Civil Procedure 4(m). Proof of service
9 of the summons and complaint shall be filed within 5 days of service of said
10 documents.

11 **2. Removed Actions.** Any answers filed in state court must be refiled in
12 this Court as a supplement to the petition. Any pending motions must be re-noticed
13 in accordance with Local Rules. If an action is removed to this Court that contains
14 a form pleading, i.e., a pleading in which boxes are checked, the party or parties
15 utilizing the form pleading must file an appropriate pleading with this Court within
16 thirty (30) days of receipt of the Notice of Removal. The appropriate pleading
17 referred to must comply with the requirements of Federal Rules of Civil Procedure,
18 Rules 7, 7.1, 8, 9, 10 and 11.

19 **3. Petitions under 18 U.S.C. Section 983(f).** Petitioner(s) shall file and
20 serve within 3 days of the date of this order an ex parte application requesting a

22 with section 983(f)'s deadlines.

23 **4. Presence of Lead Counsel.** The attorney attending any proceeding
24 before this Court, including all status and settlement conferences, must be the lead
25 trial counsel. However, with respect to Scheduling Conferences, any attorney of
26 record who is authorized to request and accept scheduling dates may appear in lieu
27 of the lead trial counsel.

28 \\\\

1 **5. Discovery.** All discovery matters have been referred to a United States
2 Magistrate Judge to hear all discovery disputes. (The Magistrate Judge's initials
3 follow the Judge's initials next to the case number.) All documents must include
4 the words "DISCOVERY MATTER" in the caption to ensure proper routing.
5 Counsel are directed to contact the Magistrate Judge's Courtroom Deputy Clerk
6 to schedule matters for hearing. Please do not deliver courtesy copies of these
7 papers to this Court.

8 The decision of the Magistrate Judge shall be final, subject to modification
9 by the District court only where it has been shown that the Magistrate Judge's
10 order is clearly erroneous or contrary to law. Any party may file and serve a motion
11 for review and reconsideration before this Court. The moving party must file and
12 serve the motion within ten (10) days of service of a written ruling or within ten
13 (10) days of an oral ruling that the Magistrate Judge states will not be followed by
14 a written ruling. The motion must specify which portions of the text are clearly
15 erroneous or contrary to law, and the claim must be supported by points and
16 authorities. Counsel shall deliver a conformed copy of the moving papers and
17 responses to the Magistrate Judge's clerk at the time of filing.

18 **6. Motions and Trial Briefs.** Motions shall be filed and set for hearing in
19 accordance with Local Rule 6-1, except (1) the notice of motion shall be filed with

21 days, before the date set for hearing; and (2) this Court hears motions on Mondays
22 commencing at 9:00 a.m. If Monday is a national holiday, this Court will hear
23 motions on the succeeding Tuesday. If the date the motion was noticed for hearing
24 is not available, the Court will issue a minute order resetting the date. Any
25 opposition or reply papers due on a holiday are due the preceding Friday, not
26 the following Tuesday. **Memoranda of Points and Authorities, pretrial briefs,**
27 **trial briefs, and posttrial briefs (including oppositions thereto) shall not**
28 **exceed 20 pages, nor exceed 5,600 words, including headings, footnotes, and**

 6 may be used. A proportionally spaced font must be 14-point or larger, or as the
 7 Court may otherwise order. A monospaced font may not contain more than 10½

6 Motions for Summary Judgment: Without prior permission from the Court,
7 no party may file more than one motion pursuant to Fed.R.Civ. P. 56 regardless
8 of whether such motion is denominated as a motion for summary judgment or
9 summary adjudication.

10 Motions for Judgment on the Pleadings: Without prior permission from the
11 Court, no party may file more than one motion pursuant to Fed.R.Civ. P. 12(c).

12 Motions to Dismiss pursuant to Fed. R. Civ. P. 12(b)(6): Where a defendant
13 has filed a Rule 12(b)(6) motion, and in lieu of filing an opposition, if the plaintiff
14 intends to file an amended complaint, the plaintiff shall file either the Amended
15 Complaint or a Notice of Intent to File Amended Complaint prior to the date on
16 which the other than opposition is due. Failure to do so may result in sanctions.

17 7. **Motion for Class Certification.** For any action purporting to commence
18 a class action other than an action subject to the Private Securities Litigation
19 Reform Act of 1995, the plaintiffs must file a Motion for Class Certification no
20 later than 90 days from the date the complaint was served, unless showing of good
21 cause has been made.

22 8. **Proposed Orders.** Each party filing or opposing a motion or seeking the
23 determination of any matter (*e.g.*, ex parte applications, stipulations, and general
24 requests) shall electronically file and lodge a proposed order setting forth the relief
25 or action sought and a brief statement of the rationale for the decision with
26 appropriate citations.

27 9. **Preparation of Documents/PDF.** Counsel shall adhere to Local Rule
28 5-4.3.1 with respect to the conversion of all documents to a PDF so that when

1 a document is electronically filed, it is in the proper size and format that is **PDF**
2 **searchable.**

3 **10. Telephonic and/or Video Hearings.** The Court does not permit
4 appearances or arguments by way of telephone conference calls or remote video
5 appearance.

6 **11. Ex Parte Applications.** The Court considers ex parte applications on
7 the papers and does not usually set these matters for hearing. If a hearing is
8 necessary, the parties will be notified. Ex parte applications are solely for
9 extraordinary relief and should be used with discretion. Sanctions may be imposed
10 for misuse of ex parte applications. See Mission Power Engineering Co. v.
11 Continental Casualty Co., 883 F.Supp. 488 (C.D. Cal. 1995).

12 Counsel's attention is directed to the Local Rules. The moving party shall
13 serve the opposing party and shall notify the opposition that opposing papers must
14 be filed not later than 3:00 p.m. on the first business day following service. If
15 counsel does not intend to oppose an ex parte application, he or she must inform
16 the Courtroom Deputy Clerk at joseph_remigio@cad.uscourts.gov.

17 **12. Continuances.** This Court has a strong interest in keeping scheduled
18 dates certain. Changes in dates are disfavored. Trial dates set by the Court are firm
19 and will rarely be changed. Therefore, a stipulation to continue the date of any
20 matter before this Court **must** be supported by a sufficient basis that demonstrates
21 good cause why the change in the date is essential. Without such compelling
22 factual support, stipulations continuing dates set by this Court will not be approved.
23 Counsel requesting a continuance must file a stipulation and lodge a proposed
24 order including a **detailed** declaration of the grounds for the requested continuance
25 or extension of time. See Local Rules. Failure to comply with the Local Rules and
26 this Order will result in rejection of the request without further notice to the parties.
27 Proposed stipulations extending scheduling dates do not become effective unless
28 and until this Court so orders. Counsel wishing to know whether a stipulation has

1 been signed shall comply with the applicable Local Rule.

2 **13. Communications with Chambers.** Counsel shall not attempt to
3 contact the Court or its staff by telephone or by any other ex parte means. Counsel
4 may contact the Courtroom Deputy Clerk with appropriate inquiries only. Counsel
5 shall not contact the Courtroom Deputy regarding status of ruling on motions, ex
6 parte applications or stipulations. Counsel shall not contact the Court to ask if
7 a matter is going forward. Notice will be given if the matter is taken off calendar.

8 **14. Order Setting Scheduling Conference.** Pursuant to Federal Rule of
9 Civil Procedure 16(b), the Court will issue an Order setting a Scheduling
10 Conference as required by Federal Rule of Civil Procedure 26 and the Local Rules
11 of this Court. Strict compliance with Federal Rules of Civil Procedure 16 and 26
12 is required.

13 **15. Notice of this Order.** Counsel for plaintiff or plaintiff (if appearing on
14 his or her own behalf) shall immediately serve this Order on all parties, including
15 any new parties to the action. If this case came to the Court by a Petition for
16 Removal, the removing defendant(s) shall serve this Order on all other parties.

17 **16. Courtesy Copies.** Chambers copies are not required at this time with
18 exception of any copies specifically requested by the Court, any physical items
19 including CD's or flash drives, and any sealed documents and criminal documents
20 as set forth below. Any paper copy or physical item to be delivered to the Court
21 shall be delivered to and placed in the Judge's courtesy box, located outside of the
22 Clerk's office, on the 12th floor of the Roybal Federal Building, 255 East Temple
23 Street, Los Angeles. Chambers copies of under seal documents shall all be placed
24 together in a manila envelope labeled "UNDER SEAL."

25 **Criminal matters:**

26 Sentencing memoranda greater than 20 pages in length. All exhibits, declarations,
27 etc. to chambers copies must be tabbed, where applicable. Blue-backs and hole
28 punches are not required. Chambers copies of under seal documents shall all be

placed together in a manila envelope labeled "UNDER SEAL."

17. **Applications to File Documents Under Seal.** For detailed instructions
and information on the procedures for filing documents under seal, please refer to
to Local Rule 79-5 *Confidential Court Records - Under Seal*. With regard to
Under-seal Documents in Non-sealed Civil Cases (L.R. 79-5.2.2), the filing party
shall not provide a chambers or courtesy copy of the Application or any associated
documents. Please bear in mind that all applications must (1) indicate which
portions of the documents to be filed under seal are confidential; and (2) provide
reason(s) as to why the parties' interest to file the document(s) under seal outweighs
the public's right to access. If a party submits an application to file under seal
pursuant to a protective order only (i.e., no other reason is given), **the Court will**
automatically deny the application if the party designating the material as
confidential does not file a declaration pursuant to L.R. 79-5.2.2(b)(i). This
declaration shall be entitled: "DESIGNATING PARTY'S DECLARATION IN
SUPPORT OF APPLICATION TO FILE UNDER SEAL PURSUANT TO
PROTECTIVE ORDER".

IT IS SO ORDERED.
